

Abandoned oil well compressed air solar container power station

Abandoned oil well compressed air solar container power station

Pondering the mystery of the Mesa people , Geophysical Institute

In a paper he wrote on the Mesa Site, Kunz noted that the hunters there abandoned that excellent lookout about 9,700 years ago. For the next 2,000 years, there were probably few or no ...

Alaska continues to change, fast , Geophysical Institute

High sea-surface and warm river temperatures are one factor in the decline of Yukon River Chinook and chum salmon to the point where fish camps are abandoned. The remaining fish ...

Rock redwoods in Sutton, stone bird tracks in Denali , Geophysical

A few years ago, Chris Williams found a big tree on the grounds of an abandoned coal mine in Sutton, Alaska. It was six feet in diameter, stood more than 110 feet above the surrounding ...

Ghost ship artifacts emerge in museum , Geophysical Institute

The captain and crew abandoned the ship, which carried furs from Canadian trappers and a variety of other cargo. Following the ice's capture of the Baychimo, the captain and 14 men ...

The Coldest Place in North America

Wilfred "Wilf" Blezard remembers the coldest recorded day in North America's history. Now 82 years old, Blezard was one of four weathermen stationed at the Snag airport in Yukon, ...

Bitter weather may have wiped out reindeer , Geophysical Institute

Biologist Dave Klein first stepped on the island in 1957, 13 years after the Coast Guard had abandoned it. Klein, 82, now a professor emeritus for the University of Alaska Fairbanks' Institute of ...

Ghost towns scattered across Alaska map , Geophysical Institute

There are at least 100 abandoned settlements in Alaska. That's the number Beth Mikow figured as she wrote her master's thesis for UAF in 2010. Mikow, who now works for the Alaska ...

Ancient moose antlers hint of early arrival , Geophysical Institute

In her recent paper, Groves wrote of the Valley of the Willows near a now-abandoned village site on the Ikpikpuk River. U.S. Navy explorer W.L. Howard in 1886 wrote of brush there "as ...

Giant Chinese Dam May Cause Earth to Move , Geophysical Institute

As the water rises, it will drown more than 1,400 rural towns and villages abandoned earlier by government decree. The water rising behind the dam will power 26 huge turbines to ...
