

# Address of the us solar container customization factory

## Overview

---

Because we understand that our customers value local service, we've built a full-service team located in the heart of Silicon Valley, a nationwide sales team, and a state-of-the-art manufacturing facility in Jacksonville, Florida. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. By manufacturing residential and commercial containers that are eco-friendly, flexible, and damn good-looking, we're cutting the crap out of traditional construction — and making quality housing and investment opportunities more accessible for everyone. This product is engineered to provide maximum efficiency, ease of installation, and long-term reliability for both residential and commer.

## Address of the us solar container customization factory
