

Bahamas power plant solar container power station project

Overview

NASSAU, BAHAMAS- The government has signed a Power Purchase Agreement (PPA) with INTI Corporation/ Madeline Solar Power Limited for a 20MW solar plant at Bahamas Power and Light's (BPL) Blue Hills Power Station. The project is expected to take 18 months to complete and will employ 100 Bahamians. Endesa Generación Portugal, part of Enel Group, has been awarded the connection rights to develop a renewable energy project combining solar, wind, green hydrogen and a 168. Bahamas Power and Light (BPL) is advancing its solar energy initiatives with the development of two major projects in New Providence.
