

## Overview

---

Incoming students at Roanoke College in Salem, Virginia have a new option for housing this year: Repurposed shipping containers. Named Maroon Village, a new neighborhood of student housing opens up 157 beds in suite units, with rooms spanning 16. The college frames the solar container dorm community as modern, efficient, and a. Our container dorms provide an innovative, cost-effective alternative to traditional student housing, combining affordability. Finding enough dorm space before the semester starts can be a challenge—but shipping container student housing offers a fast and practical solution! These modular dorms can be built quickly, customized to fit campus needs, and relocated as student populations grow.
