

China-europe solar container prefabricated cabin manufacturer

Overview

From disaster relief housing to luxury prefab villas, we empower off-grid living solutions and temporary workforce accommodations. , located in Wuxi, Jiangsu, is a high-tech enterprise mainly engaged in new energy photovoltaic power generation and energy storage business, new building prefabricated houses and new agricultural distributed planting business. Ranzoo modular villas are fully prefabricated in our factory and designed with expandable structures, optimized specifically for container shipping to save up to 50% on transportation costs. Once the modules arrive on-site, they can be fully operational within just one day. We provide comprehensive customization services, enabling you to tailor every detail of your container house according to your preferences, ranging from its layout and appearance to doors, windows, flooring, and interior accessories. As energy challenges grow, our solar container solution was created to meet the need. The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power.
