Overview

Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. 7 gigawatts (GW) of new capacity in Q3 2025, marking the industry's third-largest quarter on record and pushing total installations this year past 30 GW. The Solar Energy Industries Association® (SEIA) is leading the transformation to a clean energy economy. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar.
