

How to contact the electric vehicle solar container cooperation alliance

Overview

Chat with us now using the blue “Live Chat” button below, available Monday – Friday, 9am – 5pm. The Corporate Electric Vehicle Alliance (CEVA) is a group of companies focused on accelerating the transition to electric vehicles (EVs) across all use cases and class sizes. Our professional staff has more than 100 years of energy industry experience in both the public and private sectors and is dedicated to helping our customers have more access to clean renewable energy and local customer programs. Focus areas include comprehensive EV action planning, consumer awareness, state and local policy, incentives, fleet adoption, smart charging, and Vehicle-Grid Integration. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar.
