

How to get into the solar container battery game

Overview

To unlock the shutter door and access the loot room, you must locate three Power Cells scattered around the Reinforced Reception and Security Wing areas and deliver them along the marked blue-line route. Maybe this is a dumb question, but who TF has a capacitor laying around to fix the battery?

i tried to find anything on the farm but its nothing lootable. Connect solar panels to the main power grid using massive cables, converting the energy into batteries or charging electric vehicles.
