

# **Madagascar large mobile solar container vehicle manufacturer**

## Overview

---

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly aluminum rail system, enables rapid and mobile operation. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. After installing a mobile ESS in Q1 2025: We've currently got 12 units allocated for Caribbean deployment through Q2. With lead times for battery cells stretching to 26 weeks globally, on-hand availability could make all the difference before hurricane peaks. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.
