

Manufacturer of complete set of solar container equipment for hospitals

Overview

Clinic In A Can is a wholly owned, for-profit organization dedicated to improving access to medical care worldwide. CIAC manufactures high-quality, solar powered medical clinics out of ordinary shipping containers which can be sent anywhere in the world. CIAC delivers high-quality healthcare solutions that are powered from the electrical grid, a quiet diesel generator, solar panels with a lithium battery, or a hybrid combination of solar and diesel generator. Our prefabricated building solutions are engineered to redefine the timeline for healthcare infrastructure development and provide strategic advantages in humanitarian efforts. Exceptional Time Efficiency: We can construct a 100-bed hospital in under 7 days, a dramatic improvement compared to the. With our extensive international experience, we offer the best turnkey solutions. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. GE UK GRID SOLUTIONS LTD, DHL GLOBAL FORWARDING KOREA, and SMA SOLAR TECHNOLOGY AG accounting for 80% of World total Solar. The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power.
