

New solar container technology fund audit

Overview

This report discusses the EPA's Greenhouse Gas Reduction Fund Solar for All program, including a description of the status of funds, top recipients, risks, and impacts. EPA's Office of the Inspector General on Wednesday announced it will audit a \$7 billion climate program aimed at financing solar projects in low-income communities across the country. This initiative comes under scrutiny amidst ongoing criticisms from EPA Administrator Lee. CalCEF held a Business Plan Competition in November 2022, in which four former Concept Award winners from.
