

# Price announcement of japanese pneumatic solar container equipment

## Overview

---

You will find here current procurement opportunities and advertisements for expressions of interest issued by UNIDO. UNIDO currently has an e-portal for submission of offers electronically, as listed below under "Current Opportunities". For over 100 years, NPK Japan has engineered and produced the highest quality of construction, pneumatic, and chemical equipment. Innovative solar container houses are redefining modern architecture by combining eco-friendly design with cutting-edge solar technologies. SMC's temperature control equipment is available on a loaner basis to allow customers to test the equipment in the actual operating environment before making the decision to purchase.
