

Racing solar container

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- Small&Light, Wall Mounted
- Installed in Parallel for Expansion

Powerful Function

- Support PV+ESS
- Grid Support, Equipped with SVG Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped

Racing solar container

A Question About Transporting The Car : r/solarracing

The absolute pro method is to do what the Dutch teams do and have a custom wooden box sized to hold the car and fit into either an aeroplane or a shipping container.
