US teens' and adults' views of gender identity , Pew Research Center

Pew Research Center asked these questions as part of a larger survey of U.S. teens. We sought to better understand teens' views of gender

identity and whether they know someone who is
...

(PDF) What is research?

Research has to have an element of discovering something new, of creating knowledge. While a literature search is one important part of a research project, it isn't research in and of itself.
