### Solar energy powered electrochemical reduction of CO<sub>2</sub> on In<sub>2</sub>O<sub>3</sub>

Recently, a few of studies have set the examples of solar energy powered ECO 2 R system with considerable product selectivity and solar energy conversion efficiency by integrating ...

### Small: Vol 21, No 47

A block-like organization is uncovered in P (NIPAM- co -NIPMAM) microgels synthesized via one-step copolymerization, using a combination of small-angle neutron scattering (SANS), dynamic light ...

### Small: Vol 20, No 51

Electrochemical impedance spectroscopy and small-angle X-ray scattering reveal Pt 3 Co's high sensitivity to humidity gradients, highlighting its vulnerability to dealloying and accelerated ...

## Materials for Electrochemical Energy Storage: Introduction

Among the many available options, electrochemical energy storage systems with high power and energy densities have offered tremendous opportunities for clean, flexible,

efficient, and ...

## Overview

Small provides the very best forum for experimental and theoretical studies of fundamental and applied interdisciplinary research at these dimensions. Read an attractive mix of peer-reviewed Research ...

## Small & Medium Size Entities

The International Financial Reporting Standard for Small and Medium-sized Entities is a self-contained standard of less than 230 pages, designed to meet the needs and capabilities of small and medium ...

## Small , Nanoscience & Nanotechnology Journal , Wiley Online Library

Small is a nanoscience & nanotechnology journal providing the very best forum for fundamental and interdisciplinary applied research at the nano- and microscale, covering chemistry, ...
