

Solar container company founded to

Overview

SolarContainer is an unfunded company based in Grieskirchen (Austria), founded in 2022. The foundation of the Joint venture SolarCont GmbH is sealed and the solar container matures into a marketable product. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. From remote work sites to disaster relief efforts, these special systems are designed to provide sustainable energy wherever it's needed, redefining.
