

Solar container conference awards

Overview

The annual SolarPACES Awards honor the personal engagement of individuals and institutions that significantly contribute to the deployment of CSP technology. The evaluation system for CISOLAR 2025 AWARDS will utilize a scoring scale of 1 to 10, with 10 being the highest score. Here, you'll find the latest research, technological innovations, and real-world case studies in solar energy, all available as open-access content and Phaesun GmbH - Hohenheim University (joint submission, Germany): Solar powered cooling for enhancing milk value chains RAM Pharma (Jordan): Solar. Expanding upon the success of our fully booked 2023 event, we are excited to spotlight the most outstanding companies, technologies, and individuals in 2024. An independent researcher and former cybersecurity expert for the Israeli government.
