

Solar container electrical products

Overview

Our collection includes solar panels, lighting kits, and power solutions designed to deliver reliable energy for lighting, ventilation, and more — all without complicated wiring. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. By delivering clean, accessible electricity, we support sustainable communities and contribute to a healthier. The EcoFlow Delta Pro 3 12 kWh Generator Expansion Kit, paired with the 400W Solar Panel, is EcoFlow's latest flagship product.
