

# **Solar container equipment brand shangda solar container technology factory operation position**

## Overview

---

Find your ideal job at Jobstreet with 37 Liquid Cooling Solar Container Equipment Brand Shangda jobs found in Malaysia. Lead engineers, technicians, and operators to achieve stable, efficient, and high-quality solar cell manufacturing operations. Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. This position ensures maximum energy harv power rating of 130kWp, and can be extended with suitable energy storage systems. It is the perfect alternative to unstable grid power and diesel generators, keeping operations running even in remote areas or where infrastructure is weak.

## Solar container equipment brand shangda solar container technology
