

# **Solar container water tank warranty**

## Overview

---

They have been constructed and certified to meet ASME standards, and come with a 5-year warranty (10-year for double glass lined tanks). You are currently using Internet Explorer 7/8/9, which is not supported by our site. As Owner's sole and exclusive remedy for the above warranty, Manufacturer shall, at the Manufacturer's discretion, either factory repair or replace the defective Tank with a replacement unit or part(s) with comparable operating features. Smith residential Solar Water Heating System includes the following System Components: Solar Booster Tank (sold separately), Solar Collector Panel(s), Pump Station, Solar Loop Expansion Tank and Thermostatic Mixing Valve. Smith offer tanks ranging from 50 to 120 gallons, featuring glass-lined interiors for. This warranty applies to Trendsetter Industries, thermal storage tanks used for the purpose of providing solar pre-heated water.
