

United arab emirates mobile solar container vehicle

Overview

Enerwhere Sustainable Energy DMCC, a Dubai-based solar developer, has designed a solar-battery container solution that can be used for off-grid applications in remote areas or construction sites. The mobile solar container range redefines on-site power by harnessing the sun's energy in an efficient and reliable way to maximize the solar yield. Our solar hybrid micro-grids provide reliable power for camps, islands, mines, industrial and oil & gas facilities, using our award-winning solar hybrid solutions. It can be adapted to different needs and is scalable up to megawatt-scale projects.
