

# **Zambia new solar container project**

## Overview

---

Discover the latest collaboration in renewable energy as GenVision, Tatanga Energy, and AMDG Energy join forces to develop a 300 MW solar photovoltaic power project, featuring 800 MWh of battery storage. The Government has announced plans to introduce another mega solar power project as part of ongoing efforts to strengthen electricity generation capacity and improve energy security across the country. LUSAKA, June 30 (Xinhua) -- Zambia on Monday launched a 100-megawatt (MW) solar photovoltaic (PV) project, the country's largest grid-connected solar initiative to date, marking an important step toward addressing its ongoing energy deficit. Lusaka, 18 February 2025: Zambia's renewable energy ambitions took a major step forward today with the signing of Power Purchase Agreements (PPAs) between ZESCO Limited and 29 Independent Power Producers (IPPs) under the Micro-Generator Scheme, Presidential Solar Initiative, and Developer-Initiated.
